PDF A Review of Leadership Theory and - fcsb.unl.pt

In a classic study, McGregor discussed two leadership styles, Theory X and Theory Y, which are appropriate for different types of organizations. 1 Theory X is more suitable for an organization in which the employees do not like their work situation and will avoid work whenever possible. In this case, the employees have to be forced, controlled, or reprimanded in order for the organization to ...

Leadership Styles and Practices

prefer supportive leadership because friendly and concerned leadership is a source of satisfaction. For followers who are dogmatic and authoritarian and have to work in uncertain situations, path-goal theory suggests directive leadership because that provides psychological structure and task clarity. Directive leadership helps these followers by clarifying the path to the goal, making ...

Path-goal Theory distribute - uk.sagepub.com

What makes a leader successful? In a sense, wouldn't it be the success of their followers? The theory of supportive leadership really brings this idea to life.
