Technological Know-How Organizational Capabilities, and

An organization and its technology need structure. Much like your information technology networks and systems have an architecture, so does an organization itself. Businesses organize themselves ...

Technology and Organizational Structure | Chron.com

Organizational technological know-how for monitoring the collaboration (TEC_MON) seems somewhat related to organizational technological know-how for managing the collaboration (TEC_MAN). The reason we include them as two separate constructs is twofold. First, Simonin's framework clearly distinguishes between managing an ongoing collaboration, and monitoring the progress of the collaboration in ...
