literacy instruction of African American males in larger ideals and take students' present condition into account (Tatum, 2005). In his novel *Convicted in the Womb*, Carl Upchurch

Engaging African American Males in Reading - ASCD

African-American studies is an interdisciplinary academic field devoted to the study of the history, culture, and politics of Black Americans. Taken broadly, the field studies not only the cultures of people of African descent in the United States, but the cultures of the entire African diaspora but it has been defined in different ways.
