As we celebrate our 65th Anniversary this year, we know that our history, future, and progress are due to you, our members and supporters. Click here to help AACAP climb to new heights.

aacap.org - American Academy of Child and Adolescent

INTRODUCTION. Play is so important to optimal child development that it has been recognized by the United Nations High Commission for Human Rights as a right of every child. 1 This birthright is challenged by forces including child labor and exploitation practices, war and neighborhood violence, and the limited resources available to children ...

The Importance of Play in Promoting Healthy Child

OBJECTIVE: To formulate evidence-based recommendations for health care professionals about the diagnosis and evaluation of a simple febrile seizure in infants and young children 6 through 60 months of age and to revise the practice guideline published by the American Academy of Pediatrics (AAP) in 1996.

American Humane (AH) is an organization founded in 1877, committed to ensuring the safety, welfare and well-being of animals. American Humane's leadership programs are first to serve in promoting and nurturing the bonds between animals and humans. It was previously called the International Humane Association, before changing its name in 1878.

American Humane - Wikipedia

American University is a leader among Washington DC universities in global education. American University enrolls a diverse student body from throughout the United States and nearly 140 countries.
